

The “No Worries” Ice Machine  
for Food & Beverage.

## Flake Ice Machines with Prodigy® Technology

Prodigy advanced self-monitoring technology is now available with the soft, chewable flake ice. Flake ice is ideal for keeping salad bar fruits and veggies crisp and appealing and soft drink displays icy cold. In addition to offering the consumer-preferred Flake Ice, you can now do it with more reliability, efficiency and profitability than ever.

### Self-Monitoring Technology AutoAlert™

- Continually communicates the machine's current status
- Alerts your staff when it's time to descale, sanitize and more

### Maximize capacity

- Place 2 units next to each other side by side on a 48" bin to double ice production levels

### Vari-Smart™ Ice Level Control

- Programs ice levels for up to 7 days

### Prodigy Smart-Board™ Advanced Feature Board

- Early and fast diagnosis of operational issues
