

Dependability You - and Your Customers- Can Count On

ID Series Dispensers

Your ice-dispensing equipment is extremely important. It has got to be easy for customers to use, easy to maintain, and have outstanding reliability. Scotsman ID series dispensers provide durable, reliable performance under the most demanding conditions. Heavy-duty construction and components assure longer life.

The insulated heavy-duty drip tray prevents condensation that can leak onto countertops, causing damage and/or sanitary issues.

Choice of Configurations

- Available in popular widths: 22" or 30"
- Combines with cube or nugget ice machines

Durable Construction

- Stainless steel exteriors easy-to-clean and resistant to corrosion and rust
- Storage bin made of rust-free plastic
- Dispensing mechanism comprised of heavy-duty components for long life

Prodigy Ready

- Designed to specifically match Prodigy Cubers
- Greatest value and the most appealing aesthetics
- Factory-tested, perfectly matched system

Warranty: 2 years parts | 1 year labor

Smart Trend Tip

SONIC® Drive-ins have introduced a beverage branding message, "Your Ultimate Drink Stop," to promote beverage sales, and even instituted a "happy hour" recently. Aggressively merchandise your beverage offerings to add more fizz to your profits.
