- **STURDY, CLEAN STAINLESS SHELVING**
Shelves are the most important part of cleanliness as they come in direct contact with food. After a while, PVC coated wire shelves may peel, rust and lead to unsanitary conditions. Only the Turbo Air Diamond Show Case uniquely provides stainless shelving.
- **BOTTOM MOUNT COMPRESSOR UNITS**
Turbo Air's bottom mount compressor allows easier access for service. The lower area provides a cooler and less greasy operating environment which results in reduced compressor running time.
